Philosophy

Campbell Hall seeks students who aspire to academic excellence, personal growth, and active participation in school activities. Our affordability program is based on the belief that students willing to meet the challenge of a college-preparatory education should be given the opportunity to pursue their goals without regard to their family's financial status. To that end, Campbell Hall offers three affordability options: payment plans, financial aid, and loans.

Payment Plans

Three plans are available for payment of tuition:

Option I — Single payment of full year's tuition.

Option II — Tuition divided into two payments.

Option III — Ten monthly payments. An 8% service charge applies to monthly payments, unless a family has been awarded a partial financial aid grant.

Financial Aid

Financial aid grants are awarded on the basis of parental financial need. Campbell Hall belongs to the School and Student Service for Financial Aid (SSS) in Princeton, New Jersey, which requires parents to complete a Parents' Financial Statement (PFS) annually. A copy of the family's Federal Income Tax Return (Form 1040) is also required.

In the case of divorced or separated parents, both natural parents must submit Parents' Financial Statements.

The financial aid application process occurs at the same time as the admissions application. However, the decisions to accept and to award assistance are two separate processes. Awards are made by the financial aid committee beginning in mid-March.

Please refer to the financial aid brochure in this admissions packet for procedures and timelines.

For the 2011-2012 school year:

Total amount awarded: \$4.1 million

Number of students receiving aid: 265

Percentage of student body receiving aid: 24%

Note: Priority for financial aid to incoming students is given first to high school, then junior high, then elementary school students.
